

Want to see what's in store?

Get visibility of your POS in store. This is an exciting and completely brand new solution, a simple way of capturing data and images. We are experts in seeing what's in independent retailers. A simple low cost solution, with online reporting via dashboards.

How does it work?

Send us your requirements

Retailer responds to bespoke survey

View your results

What's in it for you?

- Proof that your POS is in place
- Visibility of your promotion set up
- An insight into whether your brand is correctly displayed and well represented
- Visibility of shop floor availability

All of the retailers in this service offer subscribe to be part of this initiative and are remunerated in the same week via their weekly sales invoice.
